

Record LTAT FY11 earnings

Contributors get 15% dividend and bonus

KUALA LUMPUR: Malaysian Armed Forces Fund Board (LTAT) recorded its highest audited income to-date of RM859.9mil for its financial year ended Dec 31, 2011 (FY11).

This represented a 14.4% increase compared with RM751.5mil achieved in FY10.

This marks the highest income recorded since its establishment 39 years ago. LTAT disbursed a 15% dividend and bonus to its contributors for FY11 compared with 14% in FY10.

LTAT's group profit before tax and zakat for FY11 stood at RM1.8bil, reflecting a 5.8% increase compared with RM1.7bil for the previous financial year.

The group's assets grew by 17% to RM69.4bil for FY11, compared with RM59.3bil before.

"Despite global economic conditions, we are glad to have achieved such sterling results for the year 2011," chairman Admiral (R) Tan Sri Anwar Mohd Nor said in a statement yesterday.

"Our record earnings are borne from the fact that we are conscious of our obligation to our members. Due to such strong results, we are able to plough back via dividends and various social-development and welfare programmes for the benefit of members of the armed forces and their families."

Dividend payout of 15% for FY11 amounted to RM680.4mil compared with dividend rate of 14% or RM616.3mil in FY10.

Given LTAT's role as a fund management organisation that is committed to elevate socio-economic conditions for its numerous members, it has carried out an array of corporate social-responsibility programmes for members of the armed forces and their families.

These include training, education, welfare, home ownership and scholarships programmes. LTAT reaches out to children of serving and retired armed forces personnel who achieved outstanding result in their UPSR and PMR examinations as well as those who were offered places at higher learning institutes via its Yayasan Warisan Perajurit (YWP).

Among its many programmes, YWP has established a scholarship programme called Mengubah Destini Anak Bangsa specifically to assist children of armed forces personnel who are offered places to study in pre-diploma programme at Universiti Teknologi Mara.

This effort is set to create a significant impact on the lives of children of armed forces personnel especially in the rural areas who are unable to further their studies due to financial constraints.

LTAT net profit at record RM859.9m

KUALA LUMPUR: Lembaga Tabung Angkatan Tentera (LTAT) posted a net profit of RM859.9 million for the financial year ended December 31 2011, a 14.4 per cent increase from RM751.5 million made a year before.

This was its highest income recorded since its inception 39 years ago, LTAT said in a statement yesterday.

LTAT disbursed a 15 per cent dividend and bonus, or RM680.4 million, to its contributors for financial year 2011 compared with 14 per cent, or RM616.3

million, in 2010.

Profit before tax and zakat stood at RM1.8 billion, a 5.8 per cent increase from RM1.7 billion for the previous financial year.

The fund's assets grew by 17 per cent to RM69.4 billion last year from RM59.3 billion the year before.

LTAT chairman Tan Sri Anwar Mohd Nor said the sterling results were achieved despite the global economic conditions.

"Malaysia is not insulated from the vagaries of the global economic conditions,

particularly what is happening in the eurozone and US.

"Despite these uncertainties, we will work harder to do our utmost to deliver good results for the benefit of our members," the chairman said.

He added that due to such strong results, LTAT was able to plough back the profit via dividends and various social-development and welfare programmes for the benefit of members of the armed forces and their families.
