

DEPARTMENT : CORPORATE FINANCE

Position : Manager

Unit : Private Investment (In Private Equity Department)

Position Summary:

Lead the Private Equity (PE) team to cover the following three key areas:

- Perform active monitoring and drive selective divestment of LTAT's legacy PE portfolio companies.
- Assist the Head of Corporate Finance to develop and implement a new PE investment programme in-line with LTAT's Strategic Asset Allocation and PE Investment Framework— primarily setting up of a PE funds investment programme and its operationalisation.
- Assist with the planning, implementation and monitoring of special investment projects including LTAT's Investment Division transformation initiatives and take on the role of champion/liaison officer for other operational aspects such as risk management and compliance, training and development for the Corporate Finance Department.

Key Accountabilities:

- a) Drive the divestment programme of selective PE portfolio companies, including engagement with relevant stakeholders, preparation and presentation of proposal papers to management, Investment Committee, Investment Panel and Board of LTAT.
- b) Assist in the development and operationalisation of a new PE investment programme for LTAT, primarily PE funds investment complemented by selective opportunistic direct investments.
- c) Performance Monitoring and Analysis of existing PE portfolio companies, including industry benchmarking, tracking of KPIs, quarterly financial performance and other quantitative and qualitative performance metrics.
- d) Departmental Operational Matters and other ad-hoc tasks, including the planning, implementation and monitoring of special investment projects, which includes division wide transformation initiatives.

Qualifications:

- a) Bachelor Degree in Accounting/Finance or equivalent professional qualifications in related fields.
- b) 7-10 years experience in Private Equity/Capital Markets/Corporate Finance/Investment Banking/Strategic Advisory or related fields.

Knowledge/skills

- a) Key skills required: Financial statement analysis, financial modelling and corporate valuation. Knowledge of PE Funds landscape will be a strong advantage for this role.
- b) Excellent interpersonal and communication skills (strong written and spoken english).
- c) Creative problem-solving skills.
- d) Ability to understand and apply the rules and regulation related to corporate finance projects, including the Tabung Angkatan Tentera Act 1973, Companies Act 2016, Financial Services Act 2013, Malaysian Code on Take-Overs and Mergers 2016, Bursa Malaysia Listing Requirements and any other relevant Acts or Guidelines by the relevant authorities.
- e) Ability to manage tight deadlines and enjoys a challenging work environment

DEPARTMENT : CORPORATE FINANCE
Position : Assistant Manager
Unit : Listed subsidiaries and Special Projects

Position Summary:

Lead one of the teams within the Listed Subsidiaries and Special Projects Unit within the Corporate Finance Department. Involved with the strategic monitoring and analysis of LTAT's listed subsidiaries (Boustead Group of Companies and Affin Bank), to assist the Manager of the Unit by leading a team of two analysts to oversee the development, planning and implementation of strategic and operational value creation exercises for the companies.

Also responsible to assist with the planning, implementation and monitoring of special investment projects including LTAT's Investment Division transformation initiatives, and take on the role of champion/liaison officer for other operational aspects such as risk management and compliance, training and development for the Corporate Finance Department.

Key Accountabilities:

- a) Analyse and implement strategic corporate finance projects for the listed subsidiaries of LTAT including Mergers & Acquisitions, strategic partnerships, restructuring of companies, rationalisation of assets and other relevant corporate exercises.
- b) Assist in the establishment of strategic and operational value creation plans for the strategic investee companies.
- c) Performance Monitoring and Analysis of Strategic Companies, including industry benchmarking, tracking of KPIs, quarterly financial performance and other quantitative and qualitative performance metrics.
- d) Departmental Operational Matters – Risk and Compliance Champion, Training and Development Coordinator.
- e) Investment Transformation Office – Assist with the planning, implementation and monitoring of special investment projects, which includes division wide transformation initiatives.

Qualifications:

- a) Bachelor Degree in Accounting/Finance or equivalent professional qualifications in related fields.
- b) 7-10 years experience in Corporate Finance/Investment Banking/Strategic Advisory or related fields.

Knowledge/skills

- a) Key skills required: Financial statement analysis, financial modelling and corporate valuation.
- b) Excellent interpersonal and communication skills (strong written and spoken english).
- c) Creative problem-solving skills.
- d) Ability to understand and apply the rules and regulation related to corporate finance projects, including the Tabung Angkatan Tentera Act 1973, Companies Act 2016, Financial Services Act 2013, Malaysian Code on Take-Overs and Mergers 2016, Bursa Malaysia Listing Requirements and any other relevant Acts or Guidelines by the relevant authorities.
- e) Ability to manage tight deadlines and enjoys a challenging work environment.
